TC-003 (09/23/2024)

1. When the materials, and products (“goods”) or services, including the products resulting from services are for use in connection with a U.S. Government Department of Defense Prime Contract or higher-tier subcontract, in addition to the General Provisions (TC-001) and the Federal Acquisition Regulation (FAR) provisions (TC-002), the following Department of Defense FAR Supplement (DFARS) clauses and provisions (TC-003), shall apply, as required by the terms of the prime contractor by operation of law or regulation. The effective version of each DFARS provision shall be the same version as that which appears in Ultra Maritime’s Prime Contract, or higher-tier subcontract under which this Purchase Order is a subcontract. In the event of a conflict between these DFARS provisions (TC-003) and the General Provisions (TC-001) or the FAR provisions (TC-002), the DFARS provisions (TC-003) shall control.
2. The following clauses set forth in the DFARS in effect as of the date of the prime contract are incorporated herein by reference. In all clauses listed herein, the terms “Government”, “Contracting Officer” and “Contractor” shall be revised to suitably identify the contracting parties under this Purchase Order and affect the proper intent of the provision except where further clarified or modified below. However, the words “Government” and “Contracting Officer” do not change: (1) when a right, act, authorization or obligation can be granted or performed only by the Government or the prime contract Contracting Officer or his or her duly authorized representative, and (2) when title to property is to be transferred directly to the Government. “Subcontractor,” however, shall mean “SELLER’s Subcontractor” under this Purchase Order. The listed DFARS clauses are incorporated herein as if set forth in full text unless made inapplicable by their corresponding notes, if any. If any of the following DFARS clauses do not apply to this Purchase Order, such clauses are considered to be self-deleting. The SELLER, by signing its offer, hereby certifies compliance with the following clauses and is, therefore, eligible for award. With respect to any applicable DFARS clauses incorporated into this Purchase Order relating to rights in noncommercial technical data and noncommercial computer software and noncommercial computer software documentation, the SELLER grants to Ultra Maritime the right to use, disclose, modify, combine, integrate or make derivative works of any noncommercial technical data, noncommercial computer software and/or noncommercial computer software documentation delivered under this Purchase Order to the extent necessary, and for such period as is required, for Ultra Maritime to complete its performance under Ultra Maritime’s U.S. Government programs.
