Paragraph (b) is deleted in each of the foregoing clauses, except in FAR 52.230-6.

B. TRUTHFUL COST OR PRICING DATA

Unless exempt, SELLER shall submit a FAR Part 15 compliant cost proposal inclusive of appropriate updates throughout the negotiation process. At the conclusion of negotiations, and regardless of any prior certification, SELLER must certify as to the accuracy, currency and completeness of its information in accordance with the FAR required Certificate of Current Cost or Pricing Data.

1. Indemnification

If any price (including profit or fee) negotiated in connection with the prime contract between the Government and Ultra Maritime, or any cost that is reimbursable under said contract is reduced due to SELLER's failure to comply with the requirements of FAR 52.215-2 and 52.215-13, or cost or pricing data furnished by the SELLER in connection with any proposal submitted by Ultra Maritime relating to said contract or in connection with this Purchase Order was not accurate, complete, or current, SELLER shall indemnify and hold harmless Ultra Maritime, to the full extent of any amount claimed by the Government, from and against any loss, damage, liability or expense (including reasonable attorney's fees) resulting from the amount of said reduction. Furthermore, SELLER agrees that in any action brought hereunder, the Federal Statute of Limitations shall apply. No other provisions in the Purchase Order, including but not limited to the Indemnity clause, shall be construed to limit the liabilities or remedies of the parties under this clause.

The phrase "cost or pricing data" as used herein shall be deemed to include any such data which related to a lower-tier prospective or actual subcontract, at any level, which was submitted by the SELLER or which it procured by submission of, in connection with the aforesaid proposal or this Purchase Order in support of its cost estimate.

If any reduction in the contract price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the SELLER shall be liable and shall pay Ultra Maritime at the time such overpayment is repaid:

- a. Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the SELLER to the date Ultra Maritime is repaid by the SELLER at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and
- b. For Department of Defense contracts only, a penalty equal to the amount of the overpayment, if the SELLER knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.

2. Cost or Pricing Data for Changes

Prior to the pricing of any change or other modification to this Purchase Order which involves increases and/or decreases in costs plus applicable profit expected to exceed the threshold for submission of cost or pricing data, SELLER shall submit cost or pricing data and shall certify that the data, as defined in Federal Acquisition Regulation 15.406-2, submitted either actually or by specific identification in writing are accurate, complete, and current as of the date of completion of negotiations.

When required to obtain cost or pricing data from its subcontractors, pursuant to the provisions of this Purchase Order, SELLER shall obtain such data.

6. DISPUTES – GOVERNMENT CONTRACTS

Any reference to Disputes in any applicable FAR Clause contained herein shall mean this paragraph, Disputes - Government Contracts.

- A. Any dispute arising under this Purchase Order relating to any decision of the Contracting Officer under the prime contract shall be resolved in accordance with Paragraph (B) below. All other disputes will be resolved by the Disputes and Governing Law Section in the General Terms and Conditions of Purchase.
- B. Notwithstanding any other provisions in this Purchase Order, any decision of the Contracting Officer under the prime contract that binds Ultra Maritime shall bind both Ultra Maritime and SELLER to the extent that it relates to this Purchase Order, provided that:
 - a. Ultra Maritime notifies with reasonable promptness the SELLER of such decision and
 - b. Ultra Maritime, at its sole discretion, authorizes in writing the SELLER to appeal in the name of Ultra Maritime such decision at its own expense, or
 - c. If Ultra Maritime should appeal such decision, Ultra Maritime at its sole discretion offers to the SELLER the opportunity at its own expense to join Ultra Maritime in such appeal.
- 1. Any decision upon such appeal, when final, shall be binding upon the SELLER and SELLER shall have no recourse against Ultra Maritime for any damages that allegedly resulted from the decision of the Contracting Officer.
- 2. The SELLER shall keep Ultra Maritime informed of any appeal it makes by providing copies of all pertinent documents to Ultra Maritime.
- 3. The SELLER shall indemnify and save harmless Ultra Maritime from any and all liability of any kind incurred by or imputed to Ultra Maritime under Section 5, “Fraudulent Claims,” of the Contract Disputes Act of 1978, as amended, if SELLER is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misrepresentation of fact on the part of SELLER.
- C. Pending any prosecution, appeal, or final decision or settlement of any dispute arising under this Purchase Order, the SELLER shall proceed diligently, as directed by Ultra Maritime, with the performance of this Purchase Order.
- D. Nothing in this Section 6 nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Ultra Maritime of the validity of SELLER’s claim or any part thereof, nor be deemed to limit or in any way restrict Ultra Maritime from taking any actions, including available remedies, it deems appropriate to protect its own interests.
- E. As used in this Section 6, the word “appeal” means an appeal taken under the Contract Disputes Act of 1978, as amended.
